my dear Mr. Summis,-

Recently I chanced upon  
a collection of your songs at a friends home,  
and I am writing to inquire if you could  
oblige me by sending one of the Collections  
to my address. I want to send it to my  
sister who before her marriage lived in  
Pasadena and has always enjoyed the  
Spanish songs very much. She has a very  
beautiful mezzo-soprano voice and often  
sings many of the Spanish songs with her  
guitar accompaniment. I believe that the  
title of the collection that I am wanting to  
send her is:-

"Spanish Songs of Old California"  
and ~~the~~ the price of it is \$1.50. You will  
find my personal check enclosed with the  
allowance for any possible postage included.  
Thanking you for this favor. I am sincerely  
(Mrs Carter) Elizabeth J. Barrett.
